

BioMath Meeting Wednesday, April 10, 2013

Attendance:

Carol Bender (MCB)

Andrew Gall (Chemistry)

Susan Hester (MCB)

Deb Hughes Hallett (Math)

Susan Jorstad (MCB)

Lisa Resende (Chemistry)

Guillermo Uribe (Teaching Teams)

Michelle Woodward (Math)

We discussed the best way to integrate the current Teaching Team program and preceptor training programs. We outlined a pilot program involving ~20 students from Biology, Chemistry and Math. Our next two meetings will be "nuts and bolts" discussions about the specific details.
