

BioMath Meeting Wednesday, April 17, 2013

Attendance:

Susan Hester (MCB)

Susan Jorstad (MCB)

Natalia De Roock (Teaching Teams)

Esther Widisih (Math)

Michelle Woodward (Math)

We continued discussion of integrating current Teaching Team program and preceptor training programs. Chose a time for the Teaching Teams/preceptor training pilot in the Fall, determined the type of credit that will be offered, discussed the best way to attach a certification to the training, and outlined the agenda for next meeting (April 24), which will focus on the content of the training class.
